USA GYMNASTICS.

Children are grouped by age for our CAMPGYM GYMNASTICS CAMPS. The day consists of about 25 minute rotations on each of the apparatus in the gym including uneven bars, balance beam, vault, floor exercise, rings, parallel bars, tumble track, trampoline, etc. We also have a 16'x16' foam pit for training skills. **The gym is fully air conditioned for the summer.** Younger campers will do an art project. All campers have a snack time and lunch time.

Children should bring a healthy lunch, light snack and a water bottle. **We are a peanut free facility.**

**Turning Kids into Ninjas One Obstacle at a Time**

USA Ninja has developed an obstacle course skills program that incorporates basic skill sets from gymnastics, climbing, cross training, and track & field. Ninja Camp is open to boys and girls ages 5 to 17. The program is designed to meet the requirements of a full physical fitness program for today's youth. We incorporate standard gymnastics apparatus including rings, bars, and tumbling surfaces. Other specialized ninja training equipment is also used, such as cargo nets, traverse walls (rock walls), slack lines, ropes, and ladders. Each obstacle course also includes corresponding conditioning and flexibility stations. The desired result of this program is to improve children's strength, flexibility, and all around athleticism. **See above for more camp info.**

**Weekly/ Daily Camp Prices are as follows:**
