Gymnastics

In our Gymnastics program each student will have the opportunity to experience each gymnastic apparatus with a trained instructor and make friends along the way.

Each group is sorted by age. Kids will spend 25 minutes on each apparatus including: vault, uneven bars, balance beam, floor, tumble track, foam pit, and trampoline.

Gymnastics classes are offered for kids of all ages from our Tadpole & Leapfrog Programs through several recreational gymnastics classes offered throughout the week

Ninja

Ninja Challenge has developed an obstacle course skills program that incorporates basic skill sets from gymnastics, climbing, cross training, and track and field. We incorporate gymnastics equipment with specialized ninja training equipment such as cargo nets, rock walls, slack lines, ropes, swinging rings, hanging ladders and warped walls.

The Desired result of this program is to improve children's strength, flexibility, and all around athleticism.

Ninja is open to boys and girls ages 4-17. Offered Mon-Sat.
