CLASS DESCRIPTIONS

TADPOLES- (Ages 14-36 months) This is a 45 minute class. Kids start with a quick stretch on the parachute. The parent or caretaker comes into the gym and with the help of instructors you will assist the child through obstacle courses which incorporate all of the major events in gymnastics. We use lots of mats to introduce the basic skills to your toddler while teaching them to follow direction and wait their turn. We come together at the end of class for circle time which includes bubbles, stamps and a coloring picture.

LEAP FROGS & Peewee Ninjas– (Ages 3 -5yrs) These classes are 50 minutes long. Children go into these classes without a parent, you may watch from the lobby. Children in the Leapfrog class learn all of the basics of gymnastics in an obstacle course format. Skills include forward rolls, backward rolls, cartwheels, handstands by walking their feet up the mat on wall, jumps, body positions, balance beam walks, basic vaulting, bars, trampolines and much more! You will see your child develop upper body strength, as well as

flexibility, balancing and coordination.

Pee Wee Ninjas do a smaller scaled version of the Ninja Challenge class, see description below. **Student to teacher ratio 7 to 1**

GIRLS - 1 hour Class - The children program is based on USA Gymnastics' curriculum and focuses

on skill levels 1-4. Children advance at different rates and we work to each child's own ability. Kids will get to use 2 events per class and change each week. (Floor, Bars, Beam, Vault, Tumble Trak). Stations are set up around the event they are on and each child is assigned a station so that they are all working on something at all times.

They rotate around stations learning skills progressively.
